Stakesby's News! 6th Oct 2017 (306)

Dear Parents, Carers and Families,

Children and Traffic are a dangerous mix!

Two updates:

As part of our safeguarding review, we have taken the decision to keep the vehicle gates locked until all children have left the building at the end of the day, including children at clubs not run by the school.

A small number of thoughtless parents are continuing to park on the school side of Byland Road - usually next to the signs and cones requesting them not to. This means that children coming out of school do not have a clear view of traffic and puts them at risk when they are crossing the road. Please could everyone spread the word that this is unacceptable and dangerous. Thanks. Roy Gunning

Voracious Learners

This term at Stakesby, we are developing a 'Growth Mindset' attitude towards learning across the school.

We are encouraging children to build their resilience and independent thought when facing new challenges. You can support this at home by taking a step back allowing your child the time and space to think for themselves. If you would like to know more, feel free to speak to your child's class teacher.

Supporting your child at home with...Reading!

Here are some tips for engaging readers:

- Listen to audiobooks to get them interested in stories.
- Show them that you love reading too. Visit the library together and choose some books for you and for them.
- Go for something that you know will engage your child. Perhaps they are really into wildlife, so a non-fiction book may be a good place to start.
- Ensure your child can easily access books in your home.
