

# Stakesby's News! 13th Oct 2017 (307)

Dear Parents, Carers and Families,

Thanks very much for supporting Red, White and Blue Day last Friday. This event has been running nationally since 2011 and was originally set up to support forces personnel that had seen service in Afghanistan. All the money raised goes to support three forces charities - The RAF and Army Benevolent Funds and the Royal Navy Charity. We took part to support our armed forces wherever they are serving our country, and as part of our wider commitment to promoting British Values - helping children to think of others and respect people who help us. We raised £132 - thanks for your generosity.

Roy Gunning

### British Values...Mutual Respect (thinking of others)

Today we are celebrating Harvest with two assemblies in which we have invited parents and carers to join us. As is traditional, we have asked you for donations of produce which we will be giving to the Whitby Food Bank and distributing to the elderly residents of our community. Taking care and supporting those who most need help is a true British Value.

**Thank you to you all for your kindness and generosity.**

### Supporting your child at home with reading. Top tips for busy mums, dads and carers.

Research shows that reading to a young child is the single most important thing you can do to help your child's education.

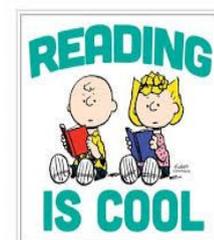

Reading can show you **CARE** for your child

Reading can help you **CONNECT** with your child

Reading can unlock **CONFIDENCE** in your child.

Many mums and dads have discovered that spending **just 10 minutes** of focussed reading time a day can make a world of difference, not only to your child, but also to **YOU!**
